## ABOUT ME

I'm a motivated high school student at ITI F. Severi in Padua with a passion for programming, web development, and technology. I enjoy working on personal projects that challenge me to learn new tools and improve my coding skills. I'm particularly interested in software development, APIs, and automation and I'm eager to gain experience in real world development environments.

## EDUCATION

Expected in June 2027

### High School Diploma

**ITI F. Severi Technical High School**, Padua

Technical Industrial Institute "Francesco Severi" of Padua is an Italian state high school whose strategic vision is firmly hinged upon the Lisbon objectives and European Qualification Framework for life-long learning, with the objective of fostering learning through certified competences and promoting students' responsible and aware integration in the labour market or in post secondary education.

## PROFESSIONAL SUMMARY

Dynamic professional with a friendly, positive attitude. Skilled in Python and problem-solving, I have good teamwork and collaboration skills, delivering high-quality results with great attention to detail. Committed to driving success through innovative solutions and effective communication.

## CERTIFICATIONS

- B2 English Certification
- Workplace Security Certification

## HOBBIES

During my free time I enjoy working on my projects and improving my skills in the various programming languages I know, I also enjoy hanging out with my friends and riding my motorcycle.
